Pearl Garden News

To ensure the safety of our residents, we ask that before you proceed directly to the fourth floor, you will first stop at the reception desk in the lobby. You will be asked to sign the guest book, inform the receptionist of your destination and obtain a visitors badge. The receptionist will phone the Pearl Garden nurses' station of your impending arrival. If you are taking your loved one off the floor, please be sure to complete our sign-out sheet located at the nurses' station. Thank you in advance for your compliance.

Holiday Memories

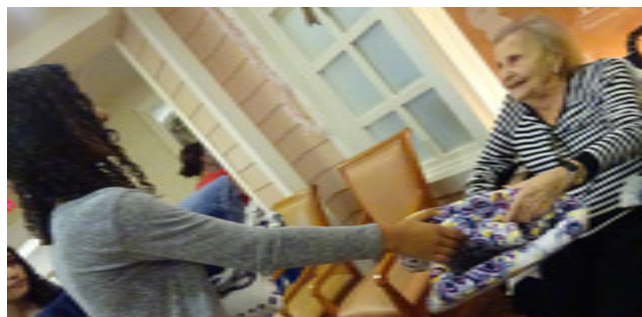

As promised, here are a few of our favorite holiday memories that didn't make it into the January edition of The Good Life News.

Betty enjoyed a little holiday shopping in our lobby.

Sam and Pamela having a little photo prop fun.

Each resident received a new blanket from six anonymous elves.

Chance sharing puppy love with June.

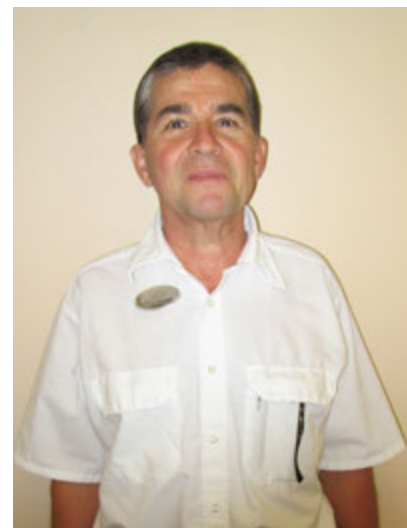

Ilse and Jean with their new friends from our "Beary Merry Tea Party."

Employee of The Month

Florencio is our Employee of The Month. This month, he celebrates his 15th anniversary at Regal Palms. Although his official title is a painter, you can find him helping wherever he's needed, with his never say no attitude and his famous smile. He never misses an opportunity to ask, "How are you?" to everyone he encounters. The residents and his coworkers just love him. He is a true gentleman, a family man and a man of God. Florencio, you are one of a kind. Thank you for all you do each and every day.

(Note: Florencio was on vacation when this article was written. All of these kind words were from his team members and the residents!)

Florencio Garcia, "Mr. Smiles"

A Unique Outing

On Tuesday, Feb. 20, our scenic bus ride takes us to the George C. McGough Nature Center. Volunteers from the center will board the bus with an assortment of feathered friends for us to meet. Thank you to our own volunteer, Lynn, for sharing this exciting adventure with us!

"Hula in the Coola Day!"

February is generally our coldest month, so let's have a little fun to stay warm. Join the craziness on Thursday, Feb. 1, when Hawaii meets "coola" weather! Attire for the day is... earmuffs and a grass shirt? A scarf and flip-flops? Mittens and a Hawaiian shirt? All of the above? Let your creativity shine!

Opportunity for Care Partners to Provide Feedback on Montessori Inspired Lifestyle

Our community has incorporated the Montessori Inspired Lifestyle (MIL) approach into Pearls of Life® to best discover the treasures within each resident. In addition to our community, The Goodman Group has implemented the Montessori approach in all of the managed senior living and health care communities in the state of Florida. This approach is the foundation of care provided to assisted living and memory care residents. The central values of this resident-driven approach are respect, dignity and equality shown to all persons.

We're dedicated to providing person-centered care, and as an effort to continuously improve that care, we want to hear from you. The Goodman Group is collaborating with Larkin University in Fort Lauderdale, Fla., and international expert and Fulbright Scholar, Dr. Norbert Vajda, to collect feedback.

This month, we invite you to participate in a 30-45 minute interview either over the phone or in person at our community. The focus points will be communication with the residents, activities, environment, behavior and engagement, as well as family member's mood. All personal data will be protected. Your participation is greatly appreciated as we seek to strengthen the program and provide even better services to the residents and their families.

If you are interested in learning more, please contact Phyllis Gaspar, Ph.D, RN, National Director of Research and Development for The Goodman Group, at 419-280-5252.
