Some August Highlights

Who said things “slow down in the summer?” Not at Royal Palms!

We would like to draw your attention to three Community Life opportunities in August you won't want to miss. First, on Friday, Aug. 11, is the return of the Comedy Time Tunnel. They were here five years ago, and their presentation is phenomenal. Relive great memories of some of the greatest talents who knew how to make people laugh. The Show will be at 4 p.m. in the Theater.

Next up, we welcome back Joy Katzen-Guthrie for another Seminar/Concert. In July, she did a presentation about the Jewish influence in Broadway and Movie musicals. Those of us in the audience were immensely impressed. She will be here on Thursday, Aug. 17, at 10 a.m., in the Loft. Her subject this time is Barbra Streisand.

The very next day, Friday, Aug. 18, we welcome two new Entertainers, Angel & Mike, who go by the name “Freshly Brewed Jazz.” They auditioned and proved they could “cut the mustard.” Come down and see what you think. They will perform at 3 p.m. in the Theater.

**29 Years
Recognizing
Senior
Citizens Day**

The U.S. Congress and President Ronald Reagan encouraged the public recognition of senior citizens' wisdom leadership and contributions by declaring August 21, 1988 to be the first National Senior Citizens Day. Some of our favorite activities for the day have tangible benefits in terms of social connection and individual well-being. Easy ways to get started include starting a family history project, searching for local volunteer opportunities, setting a date for the next family reunion, or scheduling a visit with the kids or grandkids.

Volunteers

Creating and selling greeting cards is a volunteer

opportunity that provides new books to our library each month. On Saturday mornings, residents enjoy the company of others while they cut and paste used greeting cards and creatively recycle them into new cards. The new cards are sold on Mondays, Wednesdays and Fridays in the Lobby starting at 1 p.m. Many thanks to the sellers, Ellen J., Evelyn W., Gail T., Jackie K., Peggy G., Shirley P., the lead card-maker, Bea M. and her assistants which include many of the sellers, along with Delores S., Lee C., Marion H., and Naomi W. If you want to join in the fun, meet in the Activities Room at 10 a.m. on Saturday mornings.

Do you like to read? Our library, located on the first floor, is loaded with regular and large print fiction books. Books are checked out on the honor system. There is a sign-out sheet located in the binder on the desk in the corner. On the 2nd-floor, by the computers, are non-fiction books. Both areas get out-of-order very quickly. We are grateful to have Edna F. and Marty H. helping to keep the books organized. I know they could use your help! If you have some time available, you can contact them or Kathy to get started.

A Note From Executive Chef Tommy

Here is what's cooking in your kitchen at Royal Palms. Coming in straight off the farm this month we have yellow watermelons. Yellow watermelons are a bit sweeter than the red watermelons but are their nutritional equal. Also this month, we are excited about our new organic pork tenderloin. Look for that in the upcoming weeks. Last but not least, it is Red Snapper season. There's nothing like fresh local snapper from the waters off of St. Petersburg.

We'll enjoy two special themed dinners in August; a Caribbean dinner with tastes from the islands on Aug. 15 and an Italian dinner on Aug. 23.
