## Car Show

Saturday, March 23, was a day of fun! A handful of our Terracina residents ventured out to see a car show. We had a blast reminiscing and chatting about our first cars and the places we traveled to. Good times at Terracina Grand!

## Pearl Florists

Have you ever wondered who arranges the beautiful flower bouquets at Terracina Grand? Every Wednesday, our residents on Pearl Essence roll up their sleeves, and immediately, the unit turns into a floral shop. The tables are lined with newspaper, and each flower is carefully placed in a vase ready for its new home. The floral arrangements are usually placed throughout the front lobby for residents, guests and employees to enjoy. A big thank you goes out to our Pearl Essence residents for brightening each day.

## Step into Spring

There's nothing like the beginning of a new season. Spring is the perfect time to get outside and spend time with your loved ones. Soaking up the sunshine can help to improve cognitive function and increase happiness, according to the National Institutes of Health. So, get outside and treat yourself to a fun springtime activity! Eat outdoors, partake in spring-cleaning, choose a local park or trail for walks, go on a picnic, or visit a plant nursery. We are here to help you experience whichever spring activity you enjoy most.

## Resident Spotlight

This month's Residents of the Month are Earl and Doris White.

It was a sunny day in the parlor this month at Terracina.

They grew up in New England, Earl in Lawrence, Mass., and Doris in Norwich, Conn. They both found a career path as an elementary teacher. Doris went on to graduate from Willimantic State Teachers College, while Earl was inducted to serve in the Army during the Korean War. Earl went on to complete his teaching studies at Springfield College. They enjoy married life as a happy couple and shared some incredible experiences in transforming a 35-acre farm into a summer camp for kids, offering swimming and horseback riding programs to nearby residents. I asked Doris about what she did to have fun. Without a pause, she said she kept the books, cheered for the UCONN women's basketball team and oh yes, cut the grass in her spare time! A fun lady! They became residents at Foxfire CC some 33 years ago. They continue to enjoy the game, and Earl has recently taken on Bocce ball and the Ukulele as new fun activities. If you have an opportunity, chat with them at dinner and have fun.

## Platinum Service® Employee

Olivia Sculles — Dining Services

The Platinum Service® Employee of the Month for April is Olivia Sculles. Olivia was born and raised in Naples. She lives with her parents and six siblings. Yes, there are seven kids in her family. The kids range in age from 13 to 23. She has three brothers and three sisters. Olivia and all of her brothers and sisters have been home schooled. Olivia likes to watch TV in her spare time, but mostly she likes to make videos. She also enjoys Japanese Anime and likes to practice Japanese, as she is very interested in the culture and food. In the future, she hopes to do Ministry online and create video games.

Olivia has worked at Terracina for a little over two years. She says all of the staff here are very kind, and she says the residents are wonderful. She likes that each day offers something new with them. Olivia's supervisor Lori Kelbe says Olivia is always a team player willing to learn and help wherever needed. She is always very bubbly and upbeat. The residents always have positive feedback about her assistance.

Congratulations to Olivia. She is a special ingredient to Terracina Grand and is a shining example of Platinum Service®. Thanks for all you do, Olivia!

## Tracy's Corner

Hello everyone,

April showers bring May flowers is how I think the saying goes. It's definitely a beautiful time of year to enjoy here in Naples, Fla.

Hurricane Season will be here before your know it, and it's never too early to start preparing. We will be hosting education for staff and residents and conducting a Hurricane Drill in early June. Education, planning and practice are key to ensure we all weather a safe Hurricane Season together. Please stay alert, participate and attend the educations provided.

Joe Rotondo will host a Hurricane Party to kick things off, and we will have Lauren Bonica from Collier County Emergency Management come to speak at our Fireside Chat in May.

An update on The Gardens. As I write this, the Gardens has partially completed their Licensing Survey. They should resolve the rest of the licensing survey in mid-April and will be admitting a limited number of residents. We are so proud of the team and their efforts in opening the property and being able to start providing services to residents. It is really fantastic.

Cinco de Mayo!

## Montessori Moment

The Montessori Moment that is highlighted for the month comes from our Friendly Neighbors. Our Friendly Neighbors group meets every Monday at 10:30 a.m. in the Galleria. The committee's mission statement is reviewed, then we discuss the volunteer assignment for the day. After discussion, we then head to Pearl Essence where our volunteers quickly swing into action. This program is such a wonderful testimonial of the love and kindness that flows throughout Terracina Grand. The Life Enrichment Department would like to thank our Friendly Neighbor Volunteers for sharing themselves with our neighbors in need.

## Block Party

It's that time of the year when our Helping Hands Committee hosts a Block Party for each of the floors. The purpose of a Block Party is for our residents to get to know each other. Terracina Grand has a reputation for having a warm and friendly environment. Programs such as the Block Party help bring neighbors together and create new friendships. The Block Parties will be held in the 2nd Floor Game Room every Tuesday at 2 p.m. during the months of May and June. Those of you who enjoy playing games, please take note that the 4th Floor is available for your game needs. Please watch the daily sheet for details and direction. We don't want you to miss out on your party!
