New Medical Director

I would like to announce that we are bringing a new Medical Director on board. Effective Sept. 29, 2018, Dr. Clifford Greenberg will be our new Medical Director. Dr. Greenberg is board certified in Internal Medicine. He is currently visiting Villa weekly and will follow the care of any additional residents at our community who choose him as an attending physician. He bills Medicare and multiple other insurances. It was important for us to bring a Physician on board who can meet the greater needs of our resident population here at Villa and play a role in our ongoing Quality Assurance program.

Dr. Clifford Greenberg

Residents in our community must have an attending Physician of record. You have the right to choose who your attending physician is. That Physician must be willing to follow your care here. We do have a list of physicians who will follow care at our community available in the admissions office. Our goal is to make available a Physician who can provide service here and minimize the need for transportation to appointments outside of the community.

If you are interested in Dr. Greenberg's services as an attending physician, please notify nursing and we can facilitate that change for you.

Thank you!

David Saunders, Executive Director

Halloween Party

Halloween is coming, and we are having a small party with lots of treats and games.

DVD Donations

If any family members or loved ones would like to donate appropriate DVD movies for our residents to enjoy, please give them to the Life Enrichment Department. Thank you.

Health Literacy Month

This annual observances month is designed to focus national attention on becoming activists of our own longevity. Taking steps to ensure one's own health and wellbeing in mind, body and spirit can take many forms. One of the most important things we can do is recognize the effects of aging and adopting a lifestyle that combats the process. Of course, this can include healthy eating, staying active, preventing falls, and correctly managing medications. We invite you to visit The Goodman Group's informational and inspiring blogs on health and wellness. Visit: blog.thegoodmangroup.com.

Appreciation to Our Housekeeping Team

Our Housekeeping Team is an excellent example of Platinum Service® standard number 9, "I am responsible for always providing a clean, well maintained and pleasant environment for our residents, guests and employees." Thank you, ladies, for making a difference each and every day. You deliver extraordinary results, you make it happen and your positive attitude and smiles go a long way.

Welcome to Villa

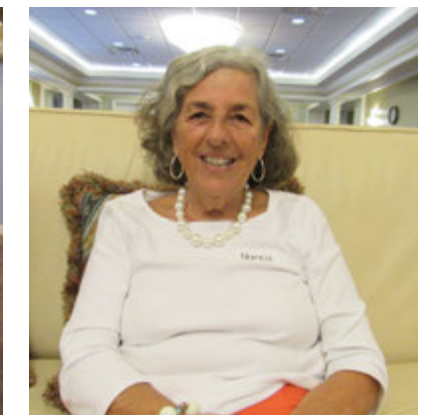

Having a place to go is...Home.
Having someone to love is...Family.
Having both is...a Blessing.
We are happy to have you as part of our "Villa Family."
