## Irish Blessing

*May the Irish hills caress you.  
May her lakes and rivers  
bless you.  
May the luck of the Irish  
enfold you.  
May the blessings of Saint  
Patrick behold you.  
My door is always open.*

**Our Talk.  
Our Walk.  
Every Day!**

**Platinum  
Service®  
Standard #20**

*"I am an ambassador for our company and continually promote our services. I always conduct myself with integrity and uncompromising values."*

What does it mean to be an ambassador for our community? An ambassador is not only a representative; being an ambassador means that what we do and the way we do it is the result of a direct personal connection with our team and residents. Being an ambassador goes well beyond the concept of being "good at our job," it requires an emotional connection. Here, we are fortunate to have such dedicated, skilled and upbeat team members who make our community a great place to live and work.

*"Integrity is what we do, what we say, and what we say we do."  
—Don Galer*

## Benefits of Walking

Walking is one of the best exercises. It's an effective way to reduce the risk for chronic conditions and improve your overall health.

## Culinary Corner

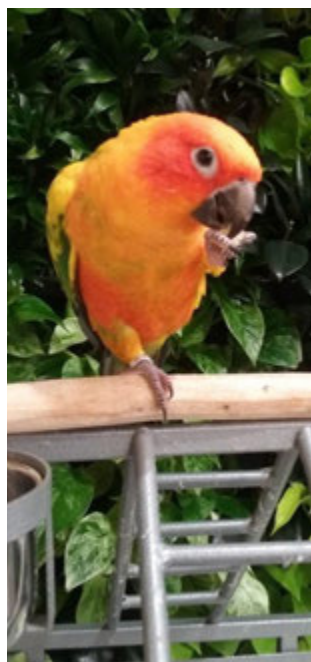

On Monday, March 19, we will be celebrating St. Patrick of Ireland by having a luncheon. The menu consists of Irish stew, corned beef Reubens, sweet potato fries and for dessert, an Irish potato candy.

We invite guests to join, so please RSVP to Julie by March 14. Space is extremely limited, so book early. The culinary department is working extra hard this month implementing new menus and dining services. The changes are in reflection of our platinum service standard no. 1, "I place the resident in the center of everything I do personalizing my services to meet their preferences."
