## We Welcome David Saunders

Dear Residents, Family Members  
and Staff,

It is my pleasure to announce that David Saunders will be joining the Villa team as the Executive Director on May 14, 2018. David has 17 years of experience working in the healthcare industry. He began as a Certified Nursing Assistant, became an Admissions Director, then eventually an Administrator. He has extensive experience with skilled nursing and dementia care. He is originally from Naples, having attended Lely High School and graduated from Florida Gulf Coast University. David is married with two children, a son and daughter. He enjoys reading and scuba diving, but says since the arrival of his kids, he finds most of his free time has become coordinating getting them to school, practices and watching their games. When David starts, we will be sure to get him introduced to everyone with a meet-and-greet.

Thank you!

— Tracy Hooks, Executive Director /  
General Manager of the Terracina Campus

## Memorial Day

Memorial Day has come to mean the beginning of summer, a time for picnics and barbecues, and a holiday to gather around the family. That happiness and freedom, however, is a product of the real cause for the holiday: the sacrifice made by men and women who have fought and died for the freedoms and liberties Americans hold dear. Memorial Day is a time to remember that the American way of life is not cheap but rather has been purchased by the lives and blood of so many who have sacrificed for us to live free and happily now.

## Montessori

“Imagination does not become great until human beings, given the courage and the strength, use it to create.”

— Maria Montessori

**Platinum  
Service®  
Standard #1**

*“I place our residents at the center of everything I do, personalizing my services to meet their preferences.”*

Our service delivery is designed to consistently create resident satisfaction and to build loyalty. Through our Platinum Service program, we practice the fundamentals of business etiquette, such as promptly greeting residents and guests with a warm and sincere welcome, introducing ourselves, and if necessary, offering assistance. Our interactions are personalized and appropriately paced to meet the unique needs of our residents. Service is then adjusted to their diverse backgrounds and cultures, creating memorable experiences. We are attentive, friendly and caring, delivering to our residents, guests and visitors a distinctive experience.

# Mango Musings

Villa is turning into a "Creative Art Gallery". We combine music in the background while our residents are calm and creative, and even share words/stories with other residents.

# Herb Garden

Tara and our lovely residents have started our Herb Garden. It started out as a few residents partaking and now it's become a very popular activity.

# Armed Forces Day

"The heritage of freedom must be guarded as carefully in peace as it was in war. Faith, not suspicion, must be the key to our relationships. Sacrifice, not selfishness, must be the eternal price of liberty. Vigilance, not appeasement, is the byword of living freedoms. Our Armed Forces in 1950 — protecting the peace, building for security with freedom — are Teamed for Defense ..."

Former Chairman of the Joint Chiefs of Staff

# A Mother's Day Poem

Another Mother's Day is here,  
Bringing joy and pleasures new,  
On this special day, Mother dear,  
I want to remember you.  
I cannot give you costly gifts,  
And I've told you this before,  
No matter what I give to you,  
You give back much, much more.  
I'm giving you a pure, sweet rose,  
Gathered in the early morn,  
This rose you planted in my heart,  
The day that I was born  
In kindly, loving thoughts of you,  
And with the faith you still impart,  
The rose I give to you today,  
Is the love that's in my heart.

# Culinary Corner

Friendly faces welcome you from the moment you walk through the front doors to the minute you join us for a meal in our Pearl Garden and Sand Pearl dining rooms. Our main focus as a team is to offer our residents and guests with a unique dining experience. Our serving style consists of a presentation of our main dish as well as a healthy alternative we call our Food for Life option. Presenting our meals allows us to give each resident a choice when it comes to their dining experience. Our staff gets to know the likes and dislikes of our residents, which in turn allows us to form a special bond and provide a quality of care like no other. The meals we create are made with quality ingredients and are fresh every time. As a team, we provide a unique dining experience from creating the meal to presenting the residents with options, to serving them and ensuring that they are provided with the quality of care they deserve.

# Deepest Sympathy

Those we love remain with us  
For love itself lives on,  
And cherished memories never fade  
Because a loved one's gone.  
Those we love can never be

More than a thought apart,  
For as long as there is memory,  
They'll live on in the heart.

## Welcome to Villa

Just Home and Love! the words  
are small  
Four little letters unto each;  
And yet you will not find in all  
The wide and gracious range of  
speech

Two more so tenderly complete:  
When angels talk in  
Heaven above,  
I'm sure they have no words  
more sweet  
Than Home and Love.
