Family Satisfaction Survey

Dear Family Members,

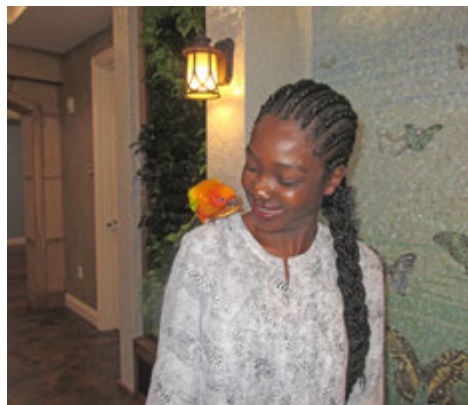

I am pleased to report that our Family Satisfaction Survey response rate was 64% this year. This is a great improvement from the prior year at 45%. Our overall satisfaction rate was an astounding 96% with prior year at 82%. Thank you to all those who took the time to complete the survey and participated in our survey get-together. Our goal is to receive feedback and continue to meet your each and every need. We are in the process of addressing some key action items that are in need of attention. We will continue to keep you updated as we make progress. We truly place our residents, families and staff at the center of everything we do.

My door is always open.

“There Is No Place Like Home”

Terracina Grand and Villa at Terracina Grand is not just a home to our residents, but home for me, too. On January 8, 2017, my prayers for a job that would transform me were answered. I was hired as an activities assistant for Villa at Terracina Grand, but I feel as though my title was changed to “family member”. The staff at the Villa treats me not like a coworker, but their own little sister — I am the youngest in the facility and I feel as though I just gained over 30 older brothers and sisters. Marthe Lawrence is like the Den Mother and we are all her children. Each morning I wake up, I sit on the edge of my bed and smile at the thought of how blessed I am to be part of this community. Villa has taught me something college could not teach me or even some acquaintances could not teach me and that is “compassion”. Each and every resident has impacted my life with their history, lifestyle and personalities. I especially love when Doris G. and I sit together and sing the afternoon away. Through my time at Villa, I can now understand why Dorothy said, “There is no place like home”.

Happy Quote

**29 Years
Recognizing
Senior
Citizens Day**

The U.S. Congress and President Ronald Reagan encouraged the public recognition of senior citizens’ wisdom leadership and contributions by declaring August 21, 1988 to be the first National Senior Citizens Day. Some of our favorite activities for the day have tangible benefits in terms of social connection and individual well-being. Easy ways to get started include starting a family history project, searching for local volunteer opportunities, setting a date for the next family reunion, or scheduling a visit with the kids or grandkids.

Mango's Musings

My friends are so busy, I have a hard time getting them to even say hello!

Dr. Jim was modeling for a visiting caricaturist!

Look at our dads! Our ladies painted Father's Day caps for them.

Is that Julie? Yes!

Shirley and her daughter were having a wonderful visit.

Ping Pong time — Gary and Penny were up for the challenge.

Caricatures

We had the very talented "Lasso" come to Villa at Terracina Grand to draw caricatures. The residents, family members and staff had a fun time!

Pet Therapy

We would like to introduce Kristine Gill and her therapy cat Nermal! Nermal is a five-year-old precious cat registered with Pet Partners. Our residents, family members and staff immediately fell in love with this pair, which you'll see from these adorable photos.

John couldn't wait to hold her.

Nermal gave Sylvia the happiest smile.

Masterpiece

Jim Rice, a local sculptor and artist and owner of The CLAY Place came to Villa at Terracina Grand with his lovely wife Barbara. He is known all around the country for his one-of-a-kind handmade fish platters. The residents chose their own tropical colors and created their own masterpiece.

Friendliest Face

If you ever find yourself wandering around Villa in search of the friendliest face, just look for Gary L. and he is sure to brighten your day simply with his smile. Gary was born in the small town of New Rockford, N.D. He was a Captain in the Air Force and was stationed in England in his early years. He also found himself doing missionary work in Bolivia, was a professor at a dental research university, and has a loving family. When Gary was 60 years old, he began training for his triathlon. His neighbor at the time assisted him in training and Gary went on to win several world championships and traveled all over the world while competing. Gary's twin sons also had the passion for triathlons and often found themselves competing in the same races as their father. The trio was often referred to as "Team Leske". We are so grateful to have Gary here at Villa where he is always smiling and offering a hug!

Culinary Corner

The “Dog Days of Summer” are upon us! That means our weather is very warm and most of our time is spent indoors. That also makes us think of cool drinks, cold soups and lighter menus. It also makes us think of one of our most favorite desserts — ICE CREAM! Did you know we offer 15 flavors of ice cream to our residents? Black Cherry, Blue Moon, Caramel Apple, Coffee, Creamsicle, Fudge Ripple, Gator Tracks, Mint Swirl, Raspberry Dream, Strawberry, Wild Wild Berry, Fried Ice Cream, Vanilla, Chocolate and Salted Caramel. Two different flavors are offered each day. Our ice cream is from St. Petersburg, Fla. and no sugar is added. Remember, my door is always open to assist you in any dietary needs your family might need.
