

Welcome to The Plaza

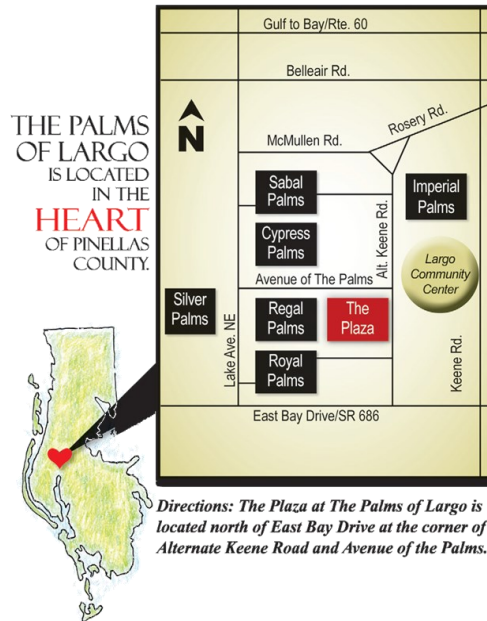

The Plaza at The Palms of Largo is a gathering place for residents, family, friends, veterans, employees and the Largo community.

The Plaza was designed as a continuation of The Palms of Largo's mission, "To enrich the quality of life of our residents by creating a sustainable, nurturing and professional environment through caring, personalized service."

The Plaza consists of a rotunda, covered activity ramadas, The Plaza Deli with courtyard dining, a Veterans memorial, vine shaded trellises, a ceremonial lawn, and a gazebo.

The Plaza will host a full calendar of daily events such as educational and exercise classes, resident and community markets, interactive recreational and social events, business seminars, group meetings, and live music events. The Plaza can also be rented for more personal celebrations such as weddings, graduations, and other joyous occasions.

Experience the joy in all things at The Plaza.

Directions: The Plaza at The Palms of Largo is located north of East Bay Drive at the corner of Alternate Keene Road and Avenue of the Palms.
